## COMPLAINT FORM

(for non-prisoner filers without lawyers)

IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF WISCONSIN

(Full name of plaintiff(s))

Stacy Lindsay

126 Jackson St

Sun Prairie, WI 53590

vs

(Full name of defendant(s))

Republican National Committee

310 First Street SE

Washington, DC 20003

Case Number:

**17 C 123** -wmc

(to be supplied by clerk of court)

### A. PARTIES

1. Plaintiff is a citizen of Wisconsin and resides at  
(State)

126 Jackson St Sun Prairie, WI 53590

(Address)

(If more than one plaintiff is filing, use another piece of paper).

2. Defendant Multiple please see Attachment 2A  
(Name)

is (if a person or private corporation) a citizen of Many states  
(State, if known)

and (if a person) resides at Multiple please see Attachment 2A  
(Address, if known)

and (if the defendant harmed you while doing the defendant's job)

worked for Multiple, please see Attachment 2A  
(Employer's name and address, if known)

(If you need to list more defendants, use another piece of paper.)

B. STATEMENT OF CLAIM

On the space provided on the following pages, tell:

1. Who violated your rights;
2. What each defendant did;
3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

Please see attachment 2B for full complaint and who violated my rights. Due to their  
 \_\_\_\_\_  
 unfairly redistricting, otherwise known as gerrymandering, county lines across the state  
 \_\_\_\_\_  
 and across the Nation from Aug 8, 2011 to present, I accuse each defendant of  
 \_\_\_\_\_  
 committing voter fraud against me, each directly harming and preventing my right to  
 \_\_\_\_\_  
 fair representation according to the Fair Representation Act of 1981 and I also accuse  
 \_\_\_\_\_  
 each of these defendants of seeking to elevate their Christian Right beliefs and their  
 \_\_\_\_\_  
 religious principles they seek to enforce in order to establish a specific religion within  
 \_\_\_\_\_  
 every local and federal government of my Executive, Legislative and Judicial  
 \_\_\_\_\_  
 branches from Nov 7, 2000 to present. I also accuse each non-government defendant  
 \_\_\_\_\_

officials and organizations of grossly interfering with the election of my public officials  
at all levels of my government in order to elevate their Christian Right beliefs  
and their religious principles for a small group over the general population within every  
local and federal government of my Executive, Legislative and Judicial branches from  
Nov 4, 1980 to present. Upon researching the Republican Party, I discovered that  
their platform is the Christian Right's belief and principles, which is confirmed, prior to  
their taking office through their alleged signing of an actual contract, whose details  
have been kept out of the public eye, and recently branded as the Contract  
from America. The roots of this contract date back to 1979 and has been a  
Republican Party religious ritual since then. This contracts title has changed over the  
years, but the majority of the context does not. The Contract from America (as  
explained here <http://contractfromamerica.org/>) boasts to have 82 members of  
Congress agreeing to have signed it as of 2015 while seeking more potential signers,  
please see Attachment 3. The contract prior to that was branded the Contract with  
America, when on Sep 27, 1994 was signed by 367 Republican candidates, and who's  
list of alleged signers can be viewed in Attachment 4. The Republican Party committees  
James Dobson and Ronald Reagan each declared a religious war on the United States  
Government as they stated in the following 1979 video recording here:  
<https://www.youtube.com/watch?v=IH1e0xxRRbk> which was recorded during a 1980  
Christian Right event hosted by Life Today titled "National Affairs Briefing".

C. JURISDICTION

I am suing for a violation of federal law under 28 U.S.C. § 1331.

OR

I am suing under state law. The state citizenship of the plaintiff(s) is (are) different from the state citizenship of every defendant, and the amount of money at stake in this case (not counting interest and costs) is \$ Trillions.

D. RELIEF WANTED

Describe what you want the court to do if you win your lawsuit. Examples may include an award of money or an order telling defendants to do something or stop doing something.

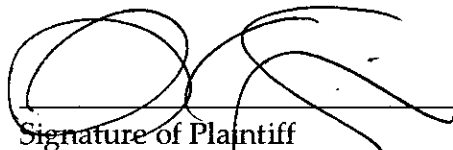

Dismantle Republican National Committee (RNC), National Republican Congressional  
Committee (NRCC) and National Republican Senatorial Committee (NRSC). Immediate  
removal of Donald Trump as well as all those in his cabinet and his administration from  
all levels of the Executive Branch. Immediate declaration of Hillary Clinton as the  
winner of the 2016 Presidential election in accordance to the will of the People of the  
United States as evident in the popular vote. All Republican Party House of  
Representative and Senate positions currently held by the Republican Party and their  
2016 party opponent be declared rightful winners of those elected positions. All Non-  
government people and organizations listed as defendants within this civil action to be  
immediately declared enemies of the U.S.A. Continued on Attachment 2D

**B. Statement of Claim continued**

The elected offices of both chambers of Congress and President of the United States (POTUS), having the power to elect the United States Judicial Supreme Court Justices is of tremendous value to my family and me. Being a single mother of two adult ladies, following are the reasons that I look forward to voting on who represents me within each of these public offices as each branch of government directly influence the laws that dictate them:

Page | 1

- How the Charters of Freedom, which includes the U.S. Constitution and Bill of Rights, are interpreted and applied
- The various taxes that my family and I pay
- The safety of the food that my family and I eat
- The safety and availability of the natural resources that my family and I use (air, water and nature parks)
- The safety that my family and I feel within our city, county, state and country
- The security that my family and I feel within our own home
- The assurances that religion will not be used against my family and me in how we so choose to live our lives
- The opportunities that my family and I have to better our lives
- The medical care that my family and I seek and rely upon
- The price of prescription drugs that my family and I pay

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

On Nov 8, 2016, my family and I went to the polls to vote for our state and federal representatives as granted under the protection of our elected government, as so agreed by them upon taking an Oath to be separate from church and state. However, our rights to fair representation and freedom from religion is being stripped away by a majority of those representing the Republican Party, who, while in their public offices, are currently advocating for extreme Cristian Right leaders such as, but not limited to, Brian Brown, James Dobson, Jerry Farwell Jr, David Koch and Charles Koch and Keith Rupert Murdoch. These Christian Right individuals, through their creation of non-governmental organizations (NGOs), use tax-exempt funds to usurp their interests above my family and mine. The public officials they unfairly get elected include Republican members of both chambers of Congress, the Republican Supreme Court Justices currently serving in the United States Supreme Court, and now the full power granted to the Office of President of the United States of America. Each of these public officials have all elevated their Christian Right beliefs and principles above the safety, well-being and interests of my family and me by their agreeing to enter a contractual agreement prior to their taking office, allegedly.

Page | 2

**Non-Governmental Individual and Organization Violations**

I suspect every non-governmental individual and their organizations of using the Republican Party platform unfairly to elevate their own Christian Right Capital Class agenda above the general population and me. I cannot compete with their misuse of trillions of dollars and vast media resources they are using to get

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

their selected candidates into an elected office, who then begin passing laws that lead to the following:

- My paying higher taxes as a result of being classified as a single mother who has earned poverty wages and now currently earns middle class wages
- Threat of my daughters losing health care
- Threat of my losing social security
- My paying higher student loan debt
- My losing social program support as I was growing up in a poverty class home
- My increased concern over global warming because of elected government pushing fossil fuel investments over clean energy investments and incentives
- My family and I paying higher prescription drug costs
- My daughters paying higher tuition for higher education while they seek to improve their opportunities in pursuit of happiness and increased wealth
- My right and freedom to love and marry within my own gender
- A women's right to gender equality and equal pay for equal work
- The rights and opportunities my daughters and I have as women
- The general public use of the beautiful national parks in both Wisconsin and across the U.S.A.

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

- The safety of my daughter who is currently serving in the Wisconsin Air National Guard as an F16 Crew Chief
- The rights and support I get as a veteran who served during Operation Desert Shield and Desert Storm

In their effort to overcome a population decline of those who share their radical religious beliefs to dominate the world from June 1979 to present, I suspect the Christian Right defendants of attacking my individual sovereignty, which is largely lead by the radical religious leaders who are using the Republican Party platform to wage war on the United States government to continue seeking power, increased wealth, prestige, and dominance over the general population and myself.

Unable to become elected official themselves, Christian Right leaders, along with their population of blind followers, have been plotting and strategizing for 38 years to take over the U.S. government, which I will prove through the standing preponderance of evidence accessed through internet researches and government databases.

James Dobson, who has been the main common denominator in the selection of Republican candidates and their election into public offices throughout the nation since 1979 is President (POTUS) Donald Trump's current spiritual adviser. As stated by Michael McVicar "Dallas, Texas, in August 1980, the Religious Roundtable, a Christian Right organization founded by Southern Baptist Ed McAteer in 1979, organized the National Affairs Briefing Conference", (<http://religion.oxfordre.com/view/10.1093/acrefore/9780199340378.001>).

0001/acrefore-9780199340378-e-97 accessed on 2/17/2017). Dobson initiated a war on the U.S. government while speaking at this national affairs briefing as this event was later published on YouTube on March 31, 2014 by Life Today, where Dobson, along with several thousand Christian Right leaders and followers, successfully recruited into the Christian Right campaign, Ronald Reagan, then governor of California who was seeking to be the Republican Party candidate for the second time. In the video I heard them both publicly wage war on the government of the United States, which can be watched here: <https://www.youtube.com/watch?v=lH1e0xxRRbk> as of 2/8/2017. A transcript of this half hour rant is standing evidence of what I witnessed within this video.

According to Mother Jones reporter Hannah Levintova, Allan C. Carlson founded the World Congress of Families (WCF) organization based in Rockford, Illinois-based in 1997 through the beck and call of Lomonosov Moscow State University, Anatoly Antonov and Victor Medkov and Ivan Shevchenko, a Russian Orthodox mystic (<http://www.motherjones.com/politics/2014/02/world-congress-families-russia-gay-rights> accessed on 2/16/2017). This Christian Right organization is well documented of its domestic and global stance against not only the LGBT right movement but also any feminist movements that seek to elevate women's rights. Interestingly according to the Intercollegiate Studies Institute, President Ronald Reagan appointed Carlson to the National Commission on Children in 1988, on which he served until 1993 (<https://home.isi.org/speakers-bureau-profile/2060> accessed on 2/16/2017).

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

According to Christian Right media resources, on May 15, 2016 to May 18, 2016, Carlson, WCF President Brian Brown, and WCF Manager Larry Jacobs all attended and spoke at the World Congress of Families X conference in Tbilisi, Georgia alongside of Natalia Yakunina from Russia's sanctity of motherhood organization. On May 18 2016 the New York Times wrote that George W. Bush allegedly sent letter to the WFC commended and therefore endorsed the WFC during this event. Based upon the standing of what I have learned about them through internet resources, I suspect Carlson, Brown, Jacobs, the World Congress of Families (WCF) organization and all of those who are active within it of assisting Russia with their alleged interference in the 2016 U.S. national election. I believe this well connected to Russia Christian Right organization did this to get the Republican Party candidates into many elected public offices of the U.S. Congress and office of President of the United States in their joint effort to elevate the Christian right agenda through their twisted and gross interpretation of the United Nations Declaration of Human Rights.

Page | 6

Jerry Farwell, who has passed away, created the Moral Majority where the mandate for leadership was devised to recruit republican candidates prior to their taking office dating as far back as Jan 1981. Dissolution after Regan's presidency due to lack of funding and interests from the general population, the Christian Right mantle has been passed to the Heritage Foundation, where these mandates are now created and housed to dictate their elected candidate's agenda as outlined here <http://www.heritage.org/budget-and-spending/report/blueprint-balance-federal-budget-2017>,

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

[http://thf\\_media.s3.amazonaws.com/2016/BlueprintforReform.pdf](http://thf_media.s3.amazonaws.com/2016/BlueprintforReform.pdf), and <http://www.heritage.org/budget-and-spending/report/mandate-leadership-comprehensive-policy-agenda-new-administration> as of Feb 14, 2017.

These mandates are a series of policies seeking to elevate the Christian Right above those in the Union and the world. I believe this Christian Right dogma is governing the general population and myself through those Republican Party public officials that were illegally elected through the use of unconstitutional redistricting of key state county lines, Russian interference during the 2016 national election, and the electoral vote, which was grossly misaligned with the popular vote.

Page | 7

As of 2015 the concepts of these mandates were used to create actual contracts currently known as Contract from America, where the signers pledges allegiance to the Christian Right agenda above all others including the U.S. Constitution and Bill of Rights. This contracts title has changed over the years, but the majority of the context does not. The Contract from America (as explained here <http://contractfromamerica.org/>) boasts to have 82 members of Congress agreeing to have signed it as of 2015 while seeking more potential public official signers, please see Attachment 3 for the list of alleged signers. Each Congress member, who allegedly signed this contract, and are currently active are defendants within this civil action.

The contract prior to that was branded the Contract with America, when on Sep 27, 1994 was signed by 367 Republican candidates. The Washington Times reported on this event here

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

<http://www.washingtontimes.com/news/2014/sep/25/two-decades-later-contract-america-turn-20/> and who's list of alleged signers can be viewed in Attachment 4, as so confirmed by "Contract With America, The Bold Plan by Rep. Newt Gingrich, Rep. Dick Armey and the House Republicans to Change the Nation" book ISBN 0812925866". Newt Gingrich also confirmed this in the following video recording:

Page | 8

<https://www.youtube.com/watch?v=fSmVYqCqzKI> that I accessed on 2/14/2017.

Both of these contracts is founded upon the same principles created by extreme Christian Right leader Jerry Farwell's 1980 Moral Majority, Inc. Mandate for Leadership series (<http://www.ushistory.org/us/58e.asp>) that was used to assist Reagan govern the general population during his reign as POTUS. As of the 2016 national election, the Heritage Foundation posted the new mandates for leadership called the 2017 Blueprints for Congress and the office of President of the United States. These total 418 pages of how U.S. departments are to be realigned, budget cuts they will impose, immigration laws they will enact, and trade deals they need to enact. According to various media resources and current actions of POTUS Trump administration, I believe the current Republican Party elected officials in both chambers of Congress and all of those currently serving in POTUS office are using these to govern the general population and myself.

Through their radical views of religious guidance to those in powerful positions, and creating tax-exempt organizations such as, but not limited to, the Prosperity Foundation, the Heritage Foundation,

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

the Family Research Council, and the Moral Majority the Christian Right have managed to usurp their hunger for religious authority and power to be recognized within my government. Based upon their doctrine and well known stances against my individual rights, each of these individuals and organizations hope to rule and suppress the general population and myself under an iron fist, through their clandestine use of the Republican Party platform in both the state of Wisconsin and nationally.

Page | 9

With scientific evidence of global warming resulting in a national and global movement towards clean energy and away from fossil fuels, based upon recent events and media resources, I suspect Koch Industries, Inc., David Koch and Charles Koch of supporting and funding the religious elevation of a segmented group of people over the general population and myself. Their elevation interfered with my election of Wisconsin Governor during 2010, 2012, and 2014. This interference continued with my national election in 2016 for every branch of local, county, state, and national public offices. Interestingly David Koch was unable to obtain the POTUS office when he ran as vice president candidate on the Libertarian Party ticket in 1979 and apparently saw an opportunity to join forces with the Christian Right leaders, along with his brother, to use the Republican Party platform to further their clandestine agenda.

Both Koch brothers use their vast financial resources from the Koch Foundation and Koch Industries to create and support political organizations such as, but not limited to, Wisconsin Club for Growth, American Legislative Exchange Council (ALEC), Freedom Works, Citizen

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

United, and Citizen United Foundation. These tax-exempt Christian Right cells claim they are nonpartisan however, they are all lead by republican supporters. ALEC especially has an all republican Congress members on its board and as part of its leadership.

Page | 10

Seeking to gain more power and authority within the United States, I suspect News Corporation, 21<sup>st</sup> Century Fox and Keith Rupert Murdoch of using the Republican Party platform unfairly to elevate the Christian Right Capital Class agenda above the general population and me. Fox News especially is alleged to be falsifying stories and editing photos to further elevate the Christian Right agenda within my elected government.

Facing their 40 year inability to get an elected official into office without breaking the law and the U.S. Constitution from Nov 4 1980 to present, the Republican National Committee (RNC), National Republican Congressional Committee (NRCC) and National Republican Senatorial Committee (NRSC) allowed their political platform to be over taken by the radical religious Christian Right individuals and organizations listed within this civil action. I suspect these republican party political platforms of waging war upon the U.S. government in order to elevate a segmented group, all of which have huge financial resources, above my family and me so that the Republican Party could surge their platform above other political party platforms who do seek to represent the general population and me.

Upon researching these republican party platforms, I discovered that their anchored in the Christian Right's mandate for leadership

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

belief and principles, which is confirmed, prior to their taking office through their alleged signing of an actual contract, whose details have been kept out of the public eye, and recently branded as the Contract from America. The roots of this contract date back to 1980 and has been a Republican Party religious ritual since then.

Page | 11

This parities religious ritual is as follows: prior to their taking public office, the candidate(s) allegedly affirm allegiance to the Christian Right's god and proclaimed savior, as the ultimate authority, even above the Charters of Freedom, including the U.S. Constitution and Bill of Rights. The confirmation of this contract occurs as follows: 1) if they have not already done so, the candidate(s) are required to accept the Christian Right savior as the supreme authority. 2) The candidate(s) then allegedly sign a contractual agreement between them and the Christian Right leaders that outlines exactly what laws, acts, and polices the elected official will run on branding them "traditional American values", the majority of which are far from the contrary and only seek to elevate a specific group above the rest of the general population. 3) The Christian Right leaders then throws all of their financial backing behind this new Christian Right candidate(s), using all of their tax-exempt resources and influence over their followers to sway voters to this candidate(s) and away from all other candidates who are running against them. 4) The last phase happens upon the election of this Christian Right candidate(s) taking public office; they must prove their allegiance to the Christian Right agenda by executing all the

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

details of the contract as quickly as they possibly can in the first 100 days of being in the elected position(s).

Upon researching events that led up to Trump's election, I discovered that prior to the 2016 national election, on Jun 21, 2016 Donald Trump allegedly had a closed door meeting with 40 Christian Right representatives, including James Dobson, at Trump Towers in New York City, NY. Trump allegedly joined the Christian Right campaign branded as "born again" and "a baby in Christ" as proclaimed by James Dobson himself; then confirmed by media news outlets in the days that followed including CNN as reported <http://www.cnn.com/2016/06/26/politics/donald-trump-james-dobson-baby-christian/> and <http://www.snappytv.com/tc/2250575> as of Feb 14, 2017. This meeting created Trump's 2016-campaign slogan "let's make America great again"; interestingly James Dobson stated this comment multiple times throughout the past years, starting in 1980 as so recorded here: <https://www.youtube.com/watch?v=lH1e0xxRRbk>.

Page | 12

Last but certainly not least, the Republican National Committee actually posted the ways they intend to change the U.S. Constitution. These are labeled as "Rebirth Constitutional Government" where they claim "if God-given, natural, inalienable rights come in conflict with government, court, or human-granted rights, God-given, natural, inalienable rights always prevail", please see Attachment 5.

**Elected Public Officials Violations**

***Wisconsin Governor, WI Supreme Court Justices, and Congress***

***Members as Elected Public Officials***

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

On Nov 21, 2016, the Wisconsin Supreme Court Justices ruled that the Republican Party unconstitutionally gerrymandered several county districts prior to the 2016 national election that resulted in the Republican Party making unprecedented gains in Wisconsin. The same practice was used to get Scott Walker into the public office of Governor of Wisconsin in 2010, 2012, and 2014. This illegal use of a long time standing practice also took place in several other key States that played a crucial part in the Republican Party gains within both chambers of Congress and the election of Republican President Donald Trump.

Page | 13

Based upon media resources and being an actual witness to the events, I suspect Scott Walker of supporting and accepting illegal contributions towards his campaign in 2010, 2012 and 2014. I also suspect him and the Republican WI congress of covering up evidence that support these allegations through their joint effort to dismantle the non-partisan Wisconsin Government Accountability Board (WGAB) as a result of the WGAB investigating Wisconsin Club for Growth support of Scott Walker and their during the 2012 elections; WGAB's last day of commission was June 26, 2016.

Scott Walker was an active member of ALEC prior to taking public office, he has since aggressively pushed the Christian Right and Koch brothers agenda above the wellbeing of my family, myself, and the general population. These actions include doing all he can to dismantle Wisconsin's public school systems through busting up Teachers Unions, busting up a workers right to unionize through his support of Act 10, implementing voter suppression laws to help elevate

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

the Republican Party above all other political parties, seeking to privatize Wisconsin's natural parks, and dismantling Planned Parenthood.

***Other States Congress Members as Elected Public Officials***

Page | 14

Based upon Christian Right resources, I suspect Senator Ted Cruz, who has direct ties with the Rockford, Illinois-based World Congress of Families (WCF) organization through his father, Rafael Cruz, of assisting Russia with interfering in the 2016 national election. Cruz along with many other Republican Party Congress members seeks to remove and criminalize my rights and freedoms to marry within my own gender and to diminish women's rights just as the Russians have done through the help and assistance of the World Congress of Families (WCF) organization from 2010 to present.

Based upon the standing of evidence, I suspect the Electors of each states that voted for Donald Trump of falsely awarding their electoral votes to Trump, which overwhelmingly went against the popular vote by three million votes partly due to the unfair gerrymandering that took place across the nation and also partly due to the Trump campaign assisting Russia with interfering in the 2016 national election as so proven by the National Security Advisers Michael Flynn resigning from his position on Feb 13, 2017. This misalignment of electoral votes marks one out of the five times occurrence in U.S. history that elevated the Republican candidate as the elected winner during that year; this happened before with the controversial election of Republican President George W. Bush's in Nov 7, 2000.

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

Based upon their actions from Feb 2016 to Jan 2017 and the transcripts of their debates while in the Senate posted on Congress.gov, I accuse all of the 114<sup>th</sup> Republican Senate Judicial Committee and Republican Senate, including but not limited to Sen. Mitch McConnell, U.S. Attorney General Jeff Sessions, and Sen. Chuck Grassley for dereliction of their duties to advice and consent to POTUS Obama's election of Chief Judge of the U.S. Court of Appeals for the District of Columbia Circuit Merrick Garland as the new U.S. Associate Justice of the Supreme Court. These Republican Senators refused to interview Obamas appointment due to their allegiance with the Christian Right and their political party in lieu of what was order of them by the U.S. Constitution in serving the general population and myself interests.

Page | 15

I'm deeply concerned with those Congress members list as elected officials on Attachment 3 and Attachment 4 who are allegedly signing contracts prior to their entering public office and their not upholding the well fair of the general population and myself in higher regard than those who represent the Christian Right.

Based upon all of their names being listed as signing the Christian Right contracts, I suspect every Republican Party Congress member of illegally pledging allegiance to elevate a specific group of people, to establish a specific religion, and to their political party platform above that of the Charters of Freedom, therefor breaking their Oath and falsifying their support of the Charters of Freedom.

***President of the United States (POTUS) Elected Officials***

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

Donald Trump's recent actions and claims of religion since taking office on Jan 20, 2017, are direct evidence of him entering such a contract agreement. I suspect Trump, who upon his election, in exchange for votes and campaign support, through quick action executive orders, of implementing laws and policies that 1) striped rights away from those that are against the Christian Right beliefs (Muslim Ban & Immigration Act). 2) Seeks to remove social programs and support (Affordable HealthCare Act), which help me, being part of the middle and poor class people of my nation. 3) Seeks to dismantle the Department of Education in support of chartered schools over public schools so that the Christian Right advocates can have more authority on who, what, and how children learn. 4) The dismantlement of the Environmental Protection Agency in support of propelling the fossil fuel agenda over clean energy to appease the Christian Right Nay Sayers of global warming. 5) Seeks to promote a supernatural, unseen being as the supreme ruler over all those within the three branches of government, including those within the Judicial Branch, in accordance to the individual interpretation of extreme Christian Right leaders like Jerry Farwell Jr and James Dobson, who is Donald Trump's current religious adviser. I believe these all outlined within the contract, as so mandated by the Heritage Foundation 2017 Blueprints for federal budget, reform, and new administration.

Page | 16

Continuing in his father's footsteps, based upon media resources and current events, I suspect Jerry Farwell Jr and Betsy DeVos of seeking to dismantle public school systems in support of charter schools so that the Christian Right doctrine can reach a greater

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

volume of children within the United States with little to no challenge. On January 2017, Trump appointed Farwell as chair to lead a taskforce on reforms for the United States Department of Education. On Feb 6, 2017 DeVos was confirmed as Education Secretary as a direct result of the Republican majority lead Congress.

Page | 17

The Congress members and POTUS who represent the Republican Party actions that followed Jan 20, 2017 leads me to question the history behind their surge to power through their alleged signing of contracts made between them and the Christian Right individuals and organizations. These actions include, but are not limited to, Trumps recent admiration of Russia, the Christian Right community and their admiration of him. The passing of radical laws, which have very strong religious implications; the immigration actions Trump has implemented and enforced; the use of executive orders that are immediately implemented and largely unchallenged by the Republican Party Congress because they are from the same politic party, which grants Trump tremendous power. The removing and replacing of so many bipartisan career appointed officials from many State Department offices then replaced with so many white males and white females who have very strict histories behind them. The gag orders that immediately followed Trump taking office. The appointment of Stephen K. Bannon as chief White House strategist and him making the comment of wanting to "bring everything crashing down" while answering a question related to Trumps extreme events; interestingly James Dobson posted the exact same belief in his July 28, 2016 sermon affirming this to be quoting religious scripture, please see Attachment 5. Trumps replacement for

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

Secretary of Education and her known history of seeking to dismantle the public school system in support of charter systems, which was put up for a vote by a Republican congress immediately upon her confirmation that was granted through a Republican vice president breaking a tie vote, the first of which in U.S. history. Lastly, the current investigation of Russia interfering with the 2016 national election and the Trump campaigns involvement with that.

Page | 18

***Judicial U.S. Supreme Court Justices as POTUS Elected Officials***

The only four U.S. Supreme Court Justices to write strong descents on the same sex marriage ruling are all representatives of the Republican Party as so appointed by Republican POTUS's Ronald Ragan, George H.W. Bush and George W. Bush. Deeply concerning to me is the statement of Chief Supreme Court Justice John Roberts who wrote "Celebrate the availability of new benefits. But do not celebrate the Constitution. It had nothing to do with it"

(<https://apps.washingtonpost.com/g/documents/national/roberts-dissent-on-supreme-court-same-sex-marriage-ruling/1606/> accessed on Feb 14, 2017).

On Feb 1, 2017, Trump elected a fifth Republican United States Supreme Court Justice, which will take over the majority of my Judicial Branch. This vacancy is the result of the Republican Congress members who continually blocked my elected president, POTUS Barack Obama's election to fill this position from Feb 2016 to Jan 19, 2017. This was the first time in U.S. history that a POTUS's elected replacement for a United States Supreme Court Justice has not been honored by the Senate and Congress.

ATTACHMENT 2B: STACY LINDSAY STATEMENT OF CLAIM CONTINUED

This was the direct result of the Republican Party congress who prevented POTUS Obama's elected Supreme Court Justice from taking their rightful place because the Republican Party is elevating the Christian right agenda, as stated by World Congress of Families (WCF), who are seeking to use the Judicial Branch of my government to remove and criminalize my rights and freedoms to marry within my own gender in their effort to mirror Russia, who was assisted by the WCF organization, and to overturn a woman's right to choose what happens with and inside her body and to suppress women's rights all together.

Page | 19

Standing upon this preponderance of evidence, my finding of facts are deeply disturbing. Since so many of my current public officials are from the Republican Party platform, who upon are claiming to have agreed to the terms within a Christian Right contract and appear to be adhering to the Heritage Foundation 2017 Blueprints for federal budget, reform, and new administration instead of upholding their allegiance to the Charters of Freedom; having been strategically placed throughout various cities, counties, and state government offices here in Wisconsin and nationally in a combine effort to elevate the Christian Right agenda I believe this to be a clear and present danger to my family and me, as well as the rest of the general population. These accusations require an immediate and speedy review and action by you, the Supreme Court Justices of the United States.

**B. Payment to Rectify Grievance**

I request the high court to consider the following against those who directly had a part in taking my right to equal representation and freedom from religion within my government away:

- That I be pardoned from any lawsuits that seek damages for my bringing these concerns forward in good faith and in clear conscience
